"As I stood and watched the signatures of many who have benefitted from a Catholic education become affixed to the final steel beam of the new addition of St. Joseph Regional Junior High School, I thanked God for not only my education - but also that of my sons, Scott and Andrew - and all those who were fortunate enough to have had the experience of a well-rounded, challenging Catholic education. The teachers and staff of St. Joseph's and Trinity profoundly influence the character and instill a positive self-concept of each individual student."

COMBINING THS & SJRJHS

AND THE OPPORTUNITIES IT CREATES

2

For more than a century, exceptional Catholic education has been the hallmark of Manchester Catholic schools.

To ensure that tradition continues for generations to come, both schools, together with the Diocese of Manchester, have embarked on a historic renovation and expansion project. The launch of **Honor, Celebrate, Pioneer** will reinvigorate students' educational experience in grades 7-12 by making critical improvements to learning spaces, expanding access to athletics and the arts, and providing a foundation for college and career-ready futures.

By uniting the schools on the same campus and creating a state-of-the-art facility, we can better serve the increasing demand for high-quality Catholic education in the Greater Manchester community.

"We are developing a true student success model where we will meet the needs and discover the interests of every student who enters our doors. Whether it will be a 4-year university or a future in the trades. Our vision is to help them grow as individuals feeling prepared to make a difference in our world. Understanding they are valued, while being challenged both spiritually and academically."

-Nate Stanton, President, THS and SJRJHS

New Scholarship Opportunities

Trinity and St. Joe's would like to thank the active, veteran, retired and reservist personnel of our brave US Armed Forces for their service to our country. We are happy to announce that beginning in the academic 2024-2025 school year:

A child of an active military member - (Parent or legal guardian only) will receive a \$2,500 (THS) or \$1,500 (SJRJHS) tuition discount renewable each year.

Any student of our military veterans - (Parent or legal guardian only) will receive a \$1,000 (THS) or \$500 (SJRJHS) tuition discount renewable each year.

May God bless America, our military and their families!

Brig. General Richard Vercauteren Memorial Scholarship Bishop Bradley 1963

Each year, two students who are entering a trades field will receive a \$10,000 scholarship to cover the cost of classes and tools for their first year.

TOPPING OFF CEREMONY

CELEBRATING THE FUTURE OF THS & SJRJHS

On October 25, we celebrated a significant milestone in the expansion project to bring St. Joe's to the Trinity campus and renovate our current building. We celebrated with over 200 alumni, family, and friends of both schools.

Guests were able to sign the beam plates as a way to leave their mark on THS and SJRJHS, signifying the permanence of the community that these schools have and create for future generations.

*"What a wonderful evening spent with faculty and graduates of Bishop Bradley, St. Joseph High School, Immaculata, St. Anthony, St. George, Ste. Marie, and Trinity High Schools. The band was playing as alumni mingled and shared their experiences of their Catholic School Education. I was so proud to be able to sign the names of my family beginning with my parents that graduated from St. Joseph High School for Boys, and St. Joseph High School for Girls, Class of 1940. **I had 23 members of my family go through the halls and graduate with a diploma from one of the above schools.** All of our names have been added to the top beam of the new building for posterity. It was riveting to witness the raising of the American flag, the lighted tree, and the placard with all the signatures that were attached to the top beam. I also had the opportunity to buy a brick in honor of the Cullity Family that will line the entryway to the gym.*

*How often did we all hear that the Catholic Schools would be closing? It was so exciting being at the Topping Off Ceremony combining the Trinity building with St. Joseph Regional Junior High School. **We can all be proud that Catholic Education still flourishes in Manchester, NH.** As an adult, I came to realize how lucky I was that my parents insisted we have a Catholic School Education. Go Pioneers!"*

-Maureen Cullity, Class of 1972

Create Your Legacy for Honor, Celebrate, Pioneer

Planned giving, also referred to as gift planning or legacy giving, is a donor's intention to contribute a planned gift to an organization beyond their lifetime. Donors can even choose a blended gift with an initial outright gift or pledge followed by a planned gift, maximizing the total charitable gift.

A planned gift can be made in several forms:

- A cash bequest to a charitable organization in a will or trust,
- A gift of stocks or bonds, or
- The designation of a charitable organization as the beneficiary of a life insurance policy, annuity, or IRA.

We are grateful for your consideration of these types of important gifts. For more information on how to plan your gift, please call Bevin Kennedy, Cabinet Secretary, Development and Communications, Diocese of Manchester, at 603-663-0136.

Please consult your legal representative or tax advisor first to maximize your benefit.
