Fall / Winter Edition

MEET CYNDI DEL GRECO DIRECTOR OF ADVANCEMENT & ALUMNI RELATIONS

I am delighted to serve as the Director of Advancement and Alumni Relations here at Trinity High and St. Joseph's Junior High. During my first 60 days, I have been focused on listening and learning - meeting our faculty, families and alumni to better understand the traditions, values and mission that make our school special. Gaining a deeper appreciation of the history and how the community lives out faith, scholarship and character each day has been a wonderful experience. I look forward to working alongside you as we continue to strengthen our culture of stewardship and support the future of our school. **Thank you** for welcoming me into your community.

Living Our Mission

In my third year as Director of Campus Ministry for Trinity High School and St. Joseph Junior High, I find myself reflecting on the incredible journey we share. With over a decade of experience in pastoral ministry within the Diocese of Manchester, I am deeply honored to continue answering this call by serving this community of faith, scholarship and character. Our schools are more than just academic institutions; they are unique spaces where Divine Grace is invited to flourish among our students, faculty, staff, families, and alumni alike.

In Campus Ministry, we operate under a simple three-fold mission: Recognize, Receive, and Respond. This mission is rooted in the words of the First Letter of St. Peter: As each has received a gift, use it to serve one another, as good stewards of God's varied grace. Our community is beautifully diverse, spanning all demographics and levels of spiritual experience. Regardless of where a student sits on the spectrum of religiosity - whether they are deeply pious, navigating doubt, or belonging to another faith tradition (or none at all) - our goal remains the same: We aim to form young men and women who can recognize grace, goodness, and virtue in their everyday lives. Once recognized, we encourage them to find the courage and conviction to move beyond observation and truly receive those blessings into their hearts. When grace takes hold, the intuitive result is action. This is discipleship - the commitment to respond to those gifts, to foster them, and to share them joyfully with the world.

It has been a truly blessed and fulfilling experience to share the joy of the Gospel with our students at every stage of their faith journey. Seeing our young people grow into men and women of character and conviction is the greatest reward of this ministry. Thank you for your continued prayers and support as we work together to build a community rooted in faith and overflowing with God's grace!

Raising the Curtain: Drama's Opening Night

In November, we celebrated the return of the Trinity Drama Program to our stage. As part of the exciting joining of our two schools, Trinity's drama program has officially joined with that of St. Joseph Junior High. This year marked the return of a full-cast, large-scale production with *The Enchanted Bookshelf*, delighting audiences with dramatic characters and enchanting voices.

Continuing our strong commitment to supporting the growth and future of our Arts and Theatre programs, this year's Fund A Need, "Raising the Curtain", will take center stage at our Dueling Pianos Celebration.

Proud of our Pioneers and Bears

- 2025 Football Championship
- Trinity hosted our first VEX robotics competition in October
- Junior Caitlin Bishop placed 4th out of 30 schools in NH Poetry Out Loud Competition
- Four seniors committed to D1 college programs
