ONCE A PIONEER, ALWAYS A PIONEER

Alumni Connection

Since our last edition, we welcomed several Alumni from the Classes of 1957 (Bishop Bradley), 1975, 1976, 1982 and 1999. It was an honor to host the class of 1975 and 1976 on commencement day and present each with a Golden Diploma. It is rewarding to hear the memories captured and making alumni proud as they experience our new campus and see the transformation.

Campus Happenings

Thank you to our incredible Trinity & St. Joseph community for making this year's Dueling Pianos celebration an extraordinary success! **With more than 200 alumni, parents, friends and supporters gathered together**, the evening was filled with laughter, energy and Pioneer Spirit. Thanks to the generosity and enthusiasm, we **raised more than \$100,000** in support of Trinity's mission and our students. We are deeply grateful to all those who attended, sponsored, donated, volunteered and helped create a memorable evening.

This year's **Spring Arts Festival** beautifully showcased the creativity and talent of our students. From masterful visual artwork to inspiring performances, the evening was a great display of the many gifts our students continue to share.

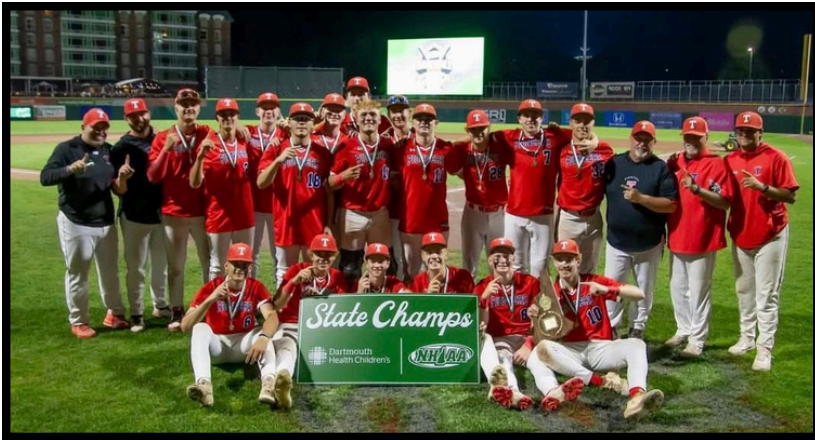

Thank you to the 85 Alumni, Parents and Friends who shared their professional expertise with our students for Career Day!

Milestones in Faith

Our school community was blessed to celebrate a beautiful milestone in the faith journey of three of our students.

Congratulations to Isabelle Conte, Trinity Class of 2026, and Juliyet McCellon and Luke Krantz of Saint Joseph Junior High School, who were sealed with the gifts of the Holy Spirit through the Sacrament of Confirmation and received the Most Holy Eucharist for the first time.

May God's grace continue to guide and strengthen them as they grow in faith, wisdom, and service. Please join us in keeping these young people in your prayers as they continue their journey with Christ.

The Impact of a Trinity & St. Joseph Education

“Their Words. Your Impact.”

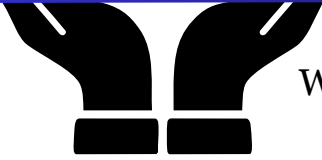

“My time as a Pioneer has been both transformational and deeply fulfilling. It reinforced how service, compassion and faith can make a meaningful difference in community.”
(Senior, Class of 2026)

“It has given me countless opportunities to strengthen my leadership. Being a recipient of the Community Hero Award, that helped provide meals for over 100 shelter residents, reinforced how service, compassion, and faith can make a meaningful difference in a community.” (Senior, Class of 2026)

“We need the Trinity community to give back to our school through time, talent or treasure which will allow our school to sustain its storied history and continue to improve long into the future” (Current Board Member)
