## Advancement Corner

### Happy 2023, Pioneers!

The Advancement Office is in the midst of planning some great upcoming events!

**On May 6th we'll host our Pioneer Derby Gala in collaboration with our Trinity Parent Group.**

This is a great night for fellow alumni to come back and support Trinity and enjoy the race. There will be a live and silent auction along with the drawing of the Big Money Raffle! I hope you'll fill a table with fellow classmates and join us. We are also currently taking nominations for the 2023 Hall of Honors in June- and we're planning the upcoming August Golf Tournament and Corn Hole Tournament for the fall.

If you have a nomination for the Hall of Honors or are interested in helping out to plan an event, please reach out! As with any event, the success is dependent on the help and support of our community. We appreciate everything you do!

*With warm regards,*

# Hall of Honors

## SEEKING NOMINATIONS

Trinity's Hall of Honors was conceived to recognize alumni who serve as outstanding examples of lives invested in service to country, community and faith. The examples of these alumni help us complete our mission by inspiring our students to think of success and happiness in terms of service to others and to ask ourselves how this world is a better place for our having been here. Do you know an alumni who deserves to be recognized for outstanding service?

Please submit your nomination to Denise Brewitt at [dbrewitt@trinity-hs.org](mailto:dbrewitt@trinity-hs.org) by Feb. 25th

## President's Update

**This is the first winter in over 10 years that I am not coaching high school basketball.**

Typically, this time of year includes watching game film and running to practices or games.

Basketball has been a huge part of my family's life and so naturally, I was skeptical about what I would do with all my newly found "free time" over the Christmas break. Luckily, with four boys under the age of 13 at home, the break was pretty busy. It was enjoyable to spend time with my family and I was reminded how precious these years are. It is always healthy to take time

away from our busy day to day lives to reflect on the work we do, and why we do it. I came to Trinity because I wanted to live the mission; to serve our Lord in a way that was fulfilling for me and for those whom I encountered, and to help students- and staff- to be the best version of themselves. So, although the days of game film, whistles, and defensive slides are gone (for now), I'm not done with coaching completely.

We have much to look forward to in 2023, and I pray for the health and well-being of our entire Pioneer community.

# Admissions Update

**It is a busy and exciting time for the Trinity admissions office.** We have been processing applications that were submitted for early acceptance. The first batch of acceptance notifications were sent out in early January.

This year we offered **3 Essay Scholarship opportunities for the class of 2027** in which we asked students to write and reflect on the question, "Who is someone that inspires you?" Our Essay committee enjoyed reading all the submissions and we sent out official winner notifications on January 13th.

We are actively enrolling for the fall of 2023. If you know someone who may be interested in learning more about Trinity High School please have them contact our office at **603-668-2910 ext.220** or email [admissions@trinity-hs.org](mailto:admissions@trinity-hs.org).

## ***Dear Trinity community,***

I have shared the following information with the faculty/staff and students in mid January.

On Jan. 3, I submitted to Mr. Thibault, Mr. Stanton, and our advisory board chair, Mr. Wenger, my resignation as principal from Trinity effective at the end of the school year. This decision was not an easy one, but after months of discernment with my wife it is the best decision for me.

I remember almost five years ago, Mr. Smith, former assistant principal, and I discussed, should I become principal, that I would probably remain about five years. I wanted to be part of Trinity's success, but I knew that I probably could not provide the energy for its success long term. Now that I am approaching the completion of my fifth year and with the expansion opening another chapter of Trinity's story, it is time to allow for new leadership to write the next chapter.

I have valued my time at Trinity, first as a full-time math teacher, then as assistant principal and now as its principal. I am proud of the individuals (students, parents, faculty and staff) that I have been associated with for the past 22 years and have nothing but fond

memories of my time at Trinity. **I deeply appreciate the cooperation, support and relations, and I cannot express enough the gratitude and love I have for the entire community. I thank Mr. Thibault for the privilege to have served you.**

I actually would have preferred to share this announcement and decision June 30 as I locked my office door for the last time. However, I wanted to give Mr. Thibault and Mr. Stanton adequate time to conduct a principal search prior to my departure. I did not want my resignation to be "announced" by a "help wanted ad." In the next few days, Mr. Stanton will share more details, but it is my understanding that there will be a hiring committee consisting of the various constituents of the Trinity community.

I anticipate completing second semester as though I was returning in the fall. I will participate in planning and implementing projects, policy, and programs that will be part of Trinity's future, and on June 30th I will quietly lock my office door for the last time.

God's peace,

***Steve Gadecki***
