

## Trinity High School Student Parking Regulations

**12th grade students** may obtain a parking permit for the required **fee of \$65** by completing an online application through FACTS forms. Persons who falsify information to obtain a permit or display an altered, unauthorized, counterfeit, or fraudulent parking permit will be subject to towing at the owner's expense and revocation of their campus parking privileges.

**Please note:** Students who may be driving more than one vehicle must register each one on the application form. The permit must be displayed on the vehicle's rearview mirror of any registered vehicle parked on campus. A parking permit is given only to the person listed on the application.

All vehicles must display a valid parking permit on the vehicle's rearview mirror with the permit number clearly visible.

Trinity High School will not be held liable for any theft of property, vandalism, or damage to any vehicle or contents while parked or removed from school property.

During an emergency evacuation you may be required to ride a bus and your vehicle will remain at school until the campus is cleared. Violation of this rule will result in the loss of your parking privileges.

After a student has arrived at school, he/she may not return to their vehicle at any time during the school day without permission from an administrator. Forgetting phone chargers, lunches, books, equipment, clothing, etc. are not reasons to go to your vehicle.

Trinity High School parking privileges and/or permits may be revoked or suspended by the administration for the following reasons: **A)** If a student is found to be in possession of, under the influence of, or selling or distributing illegal drugs, performance enhancement supplements, or alcohol on campus, in the buildings, at a school activity or on a school-related trip **B)** Chronic or habitual violators of parking regulations **C)** Transporting unauthorized students **D)** Leaving school during unauthorized times **E)** Possession or use of a stolen or lost permit, or altering of a parking permit **F)** Chronic or habitual tardiness to school **G)** Reckless driving (includes, but is not limited to, not following one-way traffic directions or 5 mph speed limit) **H)** Failure to meet all student obligations **I)** Parking in traffic flow or fire lanes.

Revoked parking privileges and/or permits will be reviewed quarterly and reinstatement will be based on the student's academic, attendance and discipline records.

Report any lost or stolen parking permits to the administration.

Vehicles parked in prohibited areas during snow removal may be towed at the owner's expense.

Courteous, safe and responsible driving rules apply at school and in the vicinity of the school. Driving recklessly will result in a loss of parking privileges.

All vehicles on campus are subject to search at any time.
