THE EMBODIMENT OF PRIDE, SPIRIT & TRADITION

Senior year is an emotional and exciting time, and for the Class of 2025, it was no different. Over the last four years, these students faced many challenges, including the global COVID-19 pandemic, a major campus construction project, the institution of uniforms, and the loss of friends. As the year drew to a close, a series of final events allowed for reflection, sadness, joy, and hope.

The Annual Senior Day of Reflection, led by Campus Ministry, allowed them to spend the day together, sharing memories and prayer before attending prom that night. The Senior Farewell Mass brought students, teachers, and the community together for one last weekly celebration of the Eucharist, and an opportunity to honor the Class of 2025.

After the Mass, the newly formed Pioneer Spirit Club announced Meghan Schmidt as the recipient of the inaugural "Lincoln Award" award recognizing her infallible spirit, leadership and devotion to the Trinity community. Mrs. Michael and her yearbook team presented the dedication to the yearbook to Mr. Sievers. Special recognition was also given posthumously to our former beloved French teacher, Megan Guerra, to whom this year's edition was also dedicated for her incredible legacy.

Finally, the seniors received candles decorated by their family and friends, a

symbol of who they are and their journey at Trinity, as well as a reminder of their responsibility to carry the light of Christ into the world.

On the evening of Wednesday, June 4th, the senior class gathered at the St. Anselm Abbey for Baccalaureate Mass, celebrated by Bishop Peter Libaci. This treasured tradition brought families and friends together to bless our graduates as they prepare to leave Trinity High School and begin the next chapter of their lives.

In his homily, Bishop Libaci reminded the graduates of the gift of attending Trinity, the sacrifices their parents made to get them there, and the importance of the education they received not just academically, but spiritually, forming their souls to live for Christ.

The following evening, as the sun set over Richard Powers Memorial Field, the seniors walked across the stage during the

MOURNING THE LOSS OF ANOTHER PIONEER

On April 20th, Trinity lost another member of our school community junior, Lauren Maria Basco Souza. Lauren is the daughter of 1989 graduate, Dr. Kevin Sousa and Dr. Maria Basco. Lauren's sister, Madeleine is a member of the 2025 graduating class and younger sister Adrienne Class of 2027.

Lauren was a bright, conscientious, and diligent student, recognized with multiple academic awards, including the Ed Houle Memorial Academic Athlete Award, the St. Joseph Regional Junior High Outstanding Student Award, and the Bishop Libasci Outstanding Student Scholarship in 2022. Lauren maintained her ranking of 1st in her class at Trinity High School for three consecutive years and was recently elected Vice President of the National Honor Society. She was a member of the National English Honor Society, DECA, Chorus, and Book Club. Lauren served as a Student Ambassador throughout high school and an Orientation Leader in her junior year. Lauren was also a member of the 40A Robotics Team, finishing 8th place at the 2025 NH/VT State Tournament. A NOTE FROM THE BRADLEY BOYS OF 1965

Dear Class of "65",

Our 60th reunion is Saturday, September 20 at the Puritan Backroom. Just two days ago, June 5, I had the pleasure to decorate the area for the class 2025 at the Football field at Derryfield park. Wow, as the large 2025 balloons waved their salute to the latest graduates, we too did the same60 years ago ! Much water has flowed under the BBHS bridge since we were set out to see the world . Our various rivers have traveled the world . For some the journey was much too short . We went to college, a job , or fought in Vietnam . Now I invite you to pause your journey and reunite with your fellow travelers for 4 hours . We had 71 classmates attend 10 years ago. We hope to have at least 50 . As always, your spouses/ significant others , are welcome . We need their beauty to make up for our rough edges !

Trinity High is helping with the logistics for this reunion by processing our check and credit cards . They also have a line to add some extra \$\$\$\$ for scholarships. Please consider making a contribution. All of us here , are who we are today by those who influenced our early lives. BBHS certainly had a huge impact on me . I hope you feel the same way ! Look forward to seeing you soon to break bread , partake of our favorite beverage, re-live a few distant memories , but most importantly, enjoy the friendship of each and every one of you.

Sincerely,

Paul Godbout & The Reunion Committee (Brian Francis, Art Boucher, Dennis Roy, & Art Lawrence)
