Trinity's World Language Booklist

The World Language Department has adopted a new textbook series for both Spanish and French beginning in the 2025-2026 school year. The series has an accompanying supersite that allows for more access to authentic resources and more practice opportunities for speaking and listening.

With this new adoption, we are shifting to a [digital textbook](#) with an accompanying [physical supplemental workbook](#).

Here is the link to the store to purchase these items: <https://vistahigherlearning.com/store/school/TrinityHighSchoolNH>

Please note that the French books won't be available for purchase until after July 1 as we are adopting the newest edition, copyright 2026.

Workbooks will be available for purchase at a discount price through the school during the first week of classes.

Here is the link to purchase the workbooks through Trinity: <https://payit.nelnet.net/form/sijO3R5W>
