About Trinity

Sponsored by the Roman Catholic Diocese of Manchester, Trinity opened its doors in September of 1970 as a consolidation of three parent high schools: Bishop Bradley (1951), Immaculata (1965) and Saint Anthony (1934). Trinity High School works collaboratively within the catholic school system. Trinity High School maintains a relationship with other area educational and service organizations and continually seeks to enhance its programs through a variety of cooperative ventures.

Students come from over 38 communities in New Hampshire. The majority are from the greater Manchester area. While approximately 80 % of our students are of the Catholic faith, students of other faiths are welcome. Acceptance and placement are based on demonstrated academic performance, teacher recommendations and the STS High School Placement exam.

Mission

Trinity High School, a Catholic, college preparatory community, provides a safe and caring environment in which students seek and achieve personal and academic excellence and grow in faith. Our students combine learning with leadership through service to their faith, school and community.

As a college preparatory high school, Trinity High School offers a liberal arts program which requires that students take a minimum of six courses each semester and earn a Physical Education credit. Our core curriculum requires students to take Theology, English and Mathematics each year. AP classes are offered in English, Mathematics, and Social Studies. Honors and College Preparatory classes are offered in English, Mathematics, Science, Social Studies, World Language and Art.

Students who select Honors Level classes must meet the following criteria:

- Freshmen-Score at or above the 75th percentile on the STS Placement Test. Recommendation of 8th Grade instructor. Above Average Score on the THS Mathematics Placement Test.
- Sophomores, Juniors and Seniors- grade of an A or above in their College Preparatory class. Teacher Recommendation. Above Average score on the THS Mathematics Placement and World Language Placement Tests.

Advanced Placement (AP) Courses

Students must be invited by Administration for placement in AP Courses. The following AP Courses are offered

- Calculus (AB/BC)
- English Literature and Composition
- English Language and Composition
- U.S. History
- Psychology
- U.S. Government & Politics
- U.S. Comparative Government
